

3 SECOND DEPLOY ARMORED BACKPACK AND VEST

Our cutting-edge "Ready To Go" RTG Bulletproof Backpack Vest is the perfect combination of function and protection. It is a discreet and effective way to have the personal protection you desire at a moment's notice. In addition to being a reliable bulletproof backpack, it doubles as a bulletproof vest with Level IIIA armor. **By pulling the fast-action straps forward, you can deploy the vest in under 3 seconds.** Great for travel, this TSA-approved ready-to-go bulletproof backpack is legal in all 50 states.
